| SUMMARY REPORT |
|-----------------------|

B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Regulation concerning a coordinated multiannual control programme of the Union for 2021, 2022 and 2023 to ensure compliance with maximum residue levels of pesticides and to assess the consumer exposure to pesticide residues in and on food of plant and animal origin

The Commission updated the Member States on the latest revision of the draft Regulation and recalled that the technical discussion had already been concluded in the last meeting of the Standing Committee on Plants, Animal, Food and Feed, section Phytopharmaceuticals – Pesticides residues on 17-18 February 2020.

Due to the situation regarding the COVID-19 virus outbreak the opinion of the Committee on this agenda item was delivered through written procedure in accordance with Article 3(5) of Regulation (EC) No 182/2011.

Vote taken: Favourable opinion.
